PROFESSIONAL SUMMARY

Frontend Developer with internship experience building responsive web applications using **React.js**, **JavaScript (ES6+)**, and **Tailwind CSS**. Strong in **component-based development**, **state management**, **role-based UI workflows**, and **REST API integration**. Focused on writing clean, maintainable code and delivering scalable user interfaces.

TECHNICAL SKILLS

Frontend: HTML, CSS, JavaScript (ES6+), React.js, Tailwind CSS

Core Concepts: Component Architecture, State Management, CRUD Workflows, Responsive UI

APIs & Tools: REST API Integration, Git, GitHub

Programming: C++

EXPERIENCE

Frontend Developer Intern

Oct 2024 – Mar 2025

Nagpur, India

- Zezpi Tech Pvt Ltd
- Developed reusable UI components using **React.js**, **Tailwind CSS**, and **JavaScript** for responsive web screens.
 - Integrated frontend modules with **REST APIs** to fetch and render dynamic data.
 - Improved UI/UX by refining layouts, fixing bugs, and enhancing component reusability.
 - Used **Git/GitHub** for version control, collaboration, and structured code updates.

PROJECTS

Employee Management Dashboard

2025

React.js, Tailwind CSS, JavaScript

- Built an employee task management dashboard where **Admin creates and assigns tasks** to employees.
- Implemented **role-based UI workflows** for Admin vs Employee actions with correct task visibility.
- Managed task lifecycle using **state management** and supported updates: **Read, Completed, Failed**.
- Designed reusable components and implemented **CRUD-style task handling** for maintainable UI logic.

Spotify Music Web Interface

Nov 2024

React.js, React Router, Vite

- Developed a Spotify-inspired UI using **React.js** with reusable components and clean structure.
- Implemented **dynamic routing** using React Router for playlist/album navigation.
- Built responsive layouts and ensured maintainable code for scalable feature expansion.
